

Coveted Outstanding Entrepreneurship Award conferred upon Dr. Steven Fang, CEO Cordlife

India Infoline News Service / 17:26 , Nov 09, 2010

280 Nominations from 13 countries converged at 'Asia Pacific Entrepreneur Award'

Steven Fang, CEO; CordLife Sciences Pvt Ltd, has been conferred with the prestigious 'Outstanding Entrepreneurship Award' at the Asia Pacific Entrepreneur Award recently held in Singapore.

The Asia Pacific Entrepreneur Award is conferred by Enterprise Asia, a non-governmental organization in pursuit of entrepreneurship development in Singapore. This annual award is a world class platform recognizing and honoring business leaders who have shown outstanding performance in developing successful businesses.

On winning the award, Steven Fang, CEO, Cordlife Sciences Pvt Ltd remarked "I am deeply honored to receive the prestigious award. This is a significant milestone for Cordlife and we are proud to be the leaders in the stemcell industry. This award is also a testament of our customers' utmost faith in us and our unflinching commitment towards them and their needs."

In a true global spirit, about 280 nominees from 13 countries took part in Asia Pacific Entrepreneur Award of which only 38 were awarded.
